19. (Internal Use Only - THW) LIAISON I met with Frank Potter, Peter Stockton, and Michael Ward, on the staff of the House Interstate and Foreign Commerce Subcommittee on Energy and Power, with respect to [redacted] Ted Shackley, ADDO, [redacted] [redacted] PCS/DDO, and [redacted] were also present. The purpose of the meeting was to determine what course of action would be followed in light of the meeting between Admiral Turner and the Chairman of the Subcommittee, Representative John D. Dingell (D., Mich.). There was substantial disagreement between what Shackley felt the Director wanted and what Stockton felt were the Chairman's desires. As a result of the meeting, it was decided that the documents previously passed to the former Joint Atomic Energy Committee would be shown to the Committee staff and we would at that time determine what additional information, if any, would be needed.

20. (Unclassified - MG) LIAISON Sent via mail to Melanie, in the office of Senator Strom Thurmond (R., S. Car.), a copy of the new Executive Order on intelligence, per her earlier request.
